## OCEAN BLUE AFGHAN BLOCK

Copyright © 2007, Michelle Crean

(This block was created in support of the Warm Up America! Project, an organization of volunteers who hand-craft afghans and other items for people who have lost their homes, fled abusive relationships, or are in hospices, shelters, hospitals, or nursing homes. Individuals make one block or several, then have "joining parties" in their communities to sew the blocks together, or send them to a central location to be joined with blocks from all over the US.)
